NPU-T Meeting Minutes
Wednesday, August 13, 2008

FROM: Marc Washington, Transportation Subcommittee Chair
NPU-T ED/CA Committee
TO: Robert Thompson, ED/CA Committee Chair
RE: July Report
DATE: 11 August 2008

Official members: Marc Washington, Robert Thompson

NARRATIVE

The Transportation Subcommittee has identified one immediate focus area related to transportation:

1. NPU-T's official, and continued engagement with the Connect Atlanta process

Our short-term goals include:

- Review and revision of the Connect Atlanta draft transportation plan [in August]
- Participation in the August/September series of Connect Atlanta public meetings
- Review and revision, if necessary, of the final Connect Atlanta transportation plan [available in September]
- Participation in the MARTA [M.O.V.E.] study

Our mid-range or long-term goals have not yet been identified:

ACTIVITIES

- Planned MARTA MOVE [Louis Grisoglio] presentation for July meeting
- Advertized Connect Atlanta Plan June series of meetings
- [Kwabena] announced July 16 Subcommittee meeting on Save #7 meeting notice
- Participated in the June 30 of Connect Atlanta Plan public meeting
- Updated Connect Atlanta Plan suggestions with community input
- Discussed ways to increase community participation at Transportation meeting

MEETINGS

A **Subcommittee Meeting** was held at The Grounds Coffee House on July 16 at 7:00 PM. Three people participated. Short-term goals were well received by attendees. [Debbie] suggested a series of “short conversations” emails explaining Subcommittee goals and their relation to the 2008 Policy Agenda [as explained during the meeting]. Beecher-Donnelly Community Association Chair [Menjiwe] requested a presentation of the goals at her next meeting. Follow-up is pending on both items. MARTA did not attend. Subcommittee will email reminders and confirm speaker availability the Friday before meetings going forward. No additional information available on MARTA MOVE. No members were recruited. The next subcommittee meeting will be held on Aug 20, 2008. The June 30 **Connect Atlanta Plan Meeting** was not well received by participants. Eight attended. The presentation did not involve NPU-T specific projects. Participants requested West End project idea details. Connect Atlanta Plan project managers offered to schedule a meeting and provide access to plans. The Transportation subcommittee would like to organize community involvement to accomplish the following:

- Understand and give input on Connect Atlanta Plan project ideas and evaluation criteria
- Advocate NPU-T Connect Atlanta Plan suggestions and the NPU-T agenda
- Recruit members for the NPU-T ED/CA Transportation subcommittee
